

# **Preschool Now Enrolling For 2012-2013**

The Workshop Learning Center is excited to announce their latest expansion: PRESCHOOL! This part-time preschool will focus on the necessary skills for student success in Kindergarten and beyond. A theme based, standards driven curriculum taught by highly qualified and caring mentors will be the foundation of this program. Children ages 3-5 will be engaged in a variety of opportunities to play and explore the world around them in order to understand and foster the joy of learning.

- **1:6 staff:child ratio**
- **Taught by 2 State Licensed Teachers**
- **Standards based education**
- **Theme driven curriculum**
- **Focus on purposeful play**
- **Caring & nurturing environment**
- **Collaboration with local schools for Kindergarten Readiness**

**REMEMBER WE ALSO OFFER:  
Private Music Lessons & Individual Tutoring
