**Future Projects Permanent Exhibits installed to depict the function of the railroad operation at Bradford. The museum continues work with Exhibit Concepts on the permanent exhibit interpretation and design. Exhibit Concepts has created 15 exhibit environments. They are designed to cover the beginning of the railroad to the end of the line. They will feature the people, the rail lines and the tools. We will have an area for the railway YMCA and the town's saloons and boarding houses.**

**Dining By Rail Reservation Turtle Creek Golf Club US 36 Greenville 6 pm–9 pm Silent Auction and Dinner**
