

Trojan Alumni Homecoming

April 18, 2015

Arcanum-Butler Schools
2011 Trojan Ave
Arcanum OH 45304

Dear AHS Alumni and Friends ~

Your AHS Alumni Association has re-invented itself. A committee of over twenty fellow Alumni has been working, since last June, to reorganize and re-energize your AHS Alumni Association. Sub-committees have been working to update our database of Alumni addresses, raise scholarship funds for deserving seniors, and plan our Alumni spring social event.

New Name and New Format ~

The "Arcanum-Butler Alumni Banquet" is no more. In it's place, we will enjoy the "Trojan Alumni Homecoming". Come enjoy a good meal and the good fellowship of classmates and friends in a relaxed, casual atmosphere. No coats and ties or high heels are necessary. The Trojan Alumni Homecoming will take place April 18, 2015, in the new school cafetorium. Come early, if you would like a tour of our beautiful new school.

The evening will begin at 5:00 p.m. with registration and Open House. The fifty year class will have their picture at 5:30 p.m. and dinner will begin at 6:30 p.m.

Nancy's Custom Cake and Catering will be serving the following for dinner: Tossed salad with assorted dressings, Parmesan chicken, Pork tenderloin with cranberry sauce, Green beans, Twice baked potatoes, Roll and butter, Dessert, Coffee (regular and decaf), Iced tea, Punch, and Water.

The Class of '65 will host and invites all alumni classes to an After Party at Beechwood Golf Course, 1476 St. Rt. 503, Arcanum OH. We want you to continue to enjoy fellowship with all alumni, reminisce and catch up. There will be snacks and a cash bar from 9 p.m. until midnight.

Just detach the registration form found in this flyer, and return by April 4, 2015, to Tanya Baker.

We look forward to seeing you there!!

82 Graduates

1965—50TH YEAR

Class Motto—“We have reached the shore, the ocean lies before us.”

Class Colors—Mahogany and Bronze

Class Flower—White rose

88 Graduates

Testimonials from Prior Alumni Scholarship Recipients

Karen (Yount) Fourman—1983 AHS Graduate—It has been 31 years since the alumni committee blessed me with a scholarship. At the time I was very grateful and I still am today. Thinking back, I was one of seven children being raised by a single parent who was struggling to raise us, let alone put us through college. We worked hard to get good grades, worked part time jobs to earn money and to do our best to find a way to go to college. Your support helped make my dream come true. The scholarship paid for my books and left me enough for parking which for me was much appreciated. I graduated from Sinclair with a Graphic Arts degree. I worked for several years for Ball Publishing as a graphic artist following graduation. I left that position and raised two children. Later when I was ready to reenter the workforce, my degree enabled me to attain my current job at Monsanto as a Research Associate. Even though this position is not a graphic arts position, having a degree was a requirement for the position. Through your support, I have accomplished much of what I never thought possible. I am forever grateful for your generosity.

Milly (Kinsler) Strayer—1995 AHS Graduate—The scholarship from the Alumni Association as well as other scholarships made the possibility of attending Anderson University a reality by lessening the financial burden. I am currently self-employed part-time as an administrative assistant, but am a full-time stay-at-home homeschooling mother of two children. A tremendous thank you to the Alumni Association for their scholarship to me that furthered my education.

Kayla (Brown) Price—2001 AHS Graduate—The AHS scholarship helped fund my first year at The Ohio State University. When I entered OSU I was unsure what my major would be, but through classes and my involvement at OSU (and previous life experiences) I landed in the College of Social Work. As I made my way through the social work program I was drawn to specialize in child welfare. I spent my senior year interning at Franklin County Children Services where I had the privilege of working with and advocating for children and families who were considered the least in their own community. I spent the next three years at Franklin County Children Services before taking on my new role as “stay at home mom”. Eventually, I hope to return to my career as a social worker when my own children are a bit older. I am thankful for the opportunity to have attended OSU, through the help of the alumni scholarship, where I discovered my passion to serve people and better the lives of those who are unable to do so on their own.

Lucas Marley—2011 AHS Graduate—I would like to start out by thanking you for choosing me to be a recipient of one of your scholarships. I have spent the last four years at Ball State University studying animation and film production. Out of over fifty applicants I was one of only fifteen people to be accepted into my program. Since then I have been studying under a master storyteller from Cartoon Network, a 3D animator from Nickelodeon, and a Disney veteran who worked on Pocahontas, Atlantic, Lilo and Stich, and Treasure Planet. Just this past year, I have had the opportunity to do workshops with the lead story artist from Tangled, the concept artist from Treasure Planet, the head of story from PBS, and the lead animator from Disney XD. I have had an incredible experience here at Ball State and have worked with professionals that most only dream of meeting, and I cannot wait to see what the next few years have in store. With the help of the scholarships I received, including the one from AHS, I will be able to complete my degree with minimal debt. Thank you for your support.
