Targeting Excellence was founded in 2013 with the vision, **“To unite agribusinesses, production systems, and institutions of higher education in a common cause – to ensure the world’s food supply by providing scholarships for students committed to food animal agriculture.”** The organization is a registered 501(c)3 non-profit with the IRS. \$125,000 in scholarships will be awarded in 2016 from 2015 fundraising activities. Targeting Excellence has set a goal of \$165,000 for 2017 awards from 2016 events.
